#### Notes to the Financial Statements for Year Ended 31 March 2020

These notes to the financial statements form an integral part of, and are to be read in conjunction with the financial statements.

#### 1. Statement of Accounting Policies

#### Reporting entity

These are the annual financial statements of the International Institute of Business Analysis New Zealand Chapter Inc. This is a society incorporated under the Incorporated Societies Act 1908.

#### Measurement base

The accounting principles recognised as appropriate for the measurement and reporting of profit and loss and balance sheet on a historical cost basis have been used by the society.

#### Specific accounting policies

The following specific accounting policies which materially affect the measurement of financial performance and financial position have been applied.

#### **Accounts receivable**

Accounts receivable are recognised at estimated realisable value.

#### Goods & Services Tax (GST)

Financial information in these accounts is recorded exclusive of GST, with the exception of receivables and payables. GST payable or receivable at balance date is included in the appropriate category in the statement of financial position.

#### Income tax

The society is a non-profit organisation and its taxable income is based on its net profit or loss from revenue sources only. Any membership subscriptions or levies are not income tax for tax purposes. Costs incurred in earning income from taxable sources are deducted when calculating taxable income. Deferred tax is not accounted for.

#### Revenue

Revenue comprises the amounts received and receivable for goods and services provided to members and other interested parties. During the current and previous financial year no revenue earning events were offered. Interest income is accounted for as earned.

#### Changes in accounting policies:

There have been no material changes in accounting policies.

#### 2. Commitments and Contingencies

The society did not have any capital commitments or contingent liabilities at year end.

(2019: nil).

# 3. Related Party Transactions

There were no related party transactions.

## 4. Prior Period Adjustments

There are no adjustments in the current year.

(2019: Four payments related to 2018 processed for payment, these totalled \$735, net of GST and have been included in the Profit and Loss for the year ended 31/3/19.)
